HELIO 70 Taylor High School Center, Indiana Volume 4

For everything there is a season, and a time for every
matter under heaven:

a time to be born, and a time to die;
a time to plant, and a time to pluck up what is planted;

a time to kill, and a time to heal;
a time to break down, and a time to build up;

a time to weep, and a time to laugh;
a time to mourn, and a time to dance;

a time to cast away stones, and a time to gather stones
together;

a time to embrace, and a time to refrain from embrac-
ing;

a time to seek, and a time to lose;
a time to keep, and a time to cast away;

a time to rend, and a time to sew;
a time to keep silence, and a time to speak;

a time to love, and a time to hate;
a time for war, and a time for peace.

What gain has the worker from his toil?

WET HOMECOMING DOESN'T DAMPEN SPIRIT

Titans have spirit by the truckloads.

Taylor's first homecoming was a big success. In spite of the rain, the Titans splashed to a 26-6 victory over Frankton. Prior to the homecoming game, the Student Council gave a reception for the past graduated seniors. The week of homecoming was full of spirited events, including a caravan, a bonfire, floats, and powder puff football games.

Junior class float wins first place in Homecoming Parade.

POWDERPUFF GAMES OPEN HOMECOMING

The Powder Puff games were very exciting. The seniors and sophomores fought their way to victory. Later in that special week of Homecoming the Titan fans participated in the Homecoming caravan and bonfire. These events brought out large crowds and the Homecoming win over Frankton ended the week in a victorious uproar.

The seniors and sophomores demonstrate their football strategy.

The senior cheerleaders show their athletic ability.

The Tijauna Trash entertained at Powderpuff half time.

Jo Ellen Darling and Dennis Rupert receive first place for having the best costumes.

The sophomores put a lot of work into the Black Cat Ball.

“SLEEPY HOLLOW”

The annual Black Cat Ball was sponsored by the sophomore class this year. Decorations helped set the stage of a Halloween atmosphere making the dance successful. The theme “Sleepy Hollow” was completed as the stage was decorated like a red barn and a witch hung in the middle of the room over her brewing pot. Eddie Jones and Jo Ellen Darling were crowned Pumpkin Prince and Princess.

ENTERTAINMENT NIGHT

PREVIEWS PROGRAM

The clowns proved to be one of the main attractions.

Entertainment Night was a fun-filled evening as basketball games from the fifth grade teams to the varsity were played. Members of the GAA gymnastics team entertained the fans by displaying their great skill they acquired through long hours of practice. The gymnastics team's performance was also highlighted by their clowns. Later the Ti Hy's, Taylor's drill team, made their first appearance of the year.

Jeni David demonstrates her skill on the unevens.

Couples Receive Candy Canes From Santa

The Second Annual Christmas Dance, sponsored by the senior class, was held December 22, 1969. The "Lost Souls" provided music for the students in grades 9-12 who attended this semi-formal dance.

Santa Claus was guest of honor during the evening. He distributed peppermint candy canes to all the couples. Santa also drew names of five students who won Christmas presents.

The decoration committee, headed by Patty McMullen, purchased a 12-foot Christmas tree which was decorated with ornaments donated by the student body. Twinkling tree lights reflected off the foil covered walls and tables as the couples were showered with styrofoam snow during the last dance.

Cathy Brown and her food committee prepared several kinds of Christmas cookies, sandwiches and holiday punch. Dishes of Christmas candy and nuts decorated the tables.

The THS choir sang a number of Christmas carols including the "Christmas Song" featuring Pam Johnson as the soloist. The choir then led the guests in singing familiar carols. Later Gail Wilson was crowned Miss Titan for 1970.

It was an enjoyable night for Sherri Richmond and her escort.

PAULA HARRISON CROWNED BASKETBALL QUEEN

The 1970 basketball homecoming was the first in Taylor's history. The Junior class had the honor of arranging the evening's festivities. Working with the juniors, the student council was in charge of the reception for the Taylor graduates of 1969. The evening was a big success. Tena Canter, JoAnn DeLong, and Terri

Free followed in the crowning of the Basketball Homecoming Court.

Included in the exciting evening was the Titan Cheerblock which was filled with exuberant spirit. After the varsity game, the Junior class also sponsored the Homecoming Dance, featuring The Emerson Park.

JR. HIGH RAISES \$500

Jr. High students dance to the music provided by the "Realm of Rhythm."

Ann Maple receives a check for \$500 from Mike Bentzler.

Kathy Moorcroft was crowned Queen of Hearts at the Jr. High Valentine Dance.

The Valentine Dance was the first event sponsored by the Junior High. From the total amount of money earned from the dance the Jr. High gave \$500 to the Student Council to help pay the way in sending two foreign exchange students to foreign countries this summer. The highlight of the evening was the crowning of Kathy Moorcroft, the Queen of Hearts.

CONVOS BREAK ROUTINE

During the sectional, the Titans performed a burial of the Western Panthers.

The convocations this year ranged from the darkest corners of Africa to the darkest corners of the mind. "Uncle Walt" guided the students on an expedition into the jungles of Africa. He explained the marriage customs of the natives and the inconveniences of living in the jungle. During his presentation he demonstrated how to play various primitive musical instruments.

O. G. Fitzgerald, an expert of the mind, pointed out

the fact that everyone has an equal capacity to memorize. After meeting a group of twenty-five students, he was able to recall all of their names after an hour.

The pep sessions not only gave the students a mental break from studying, but also prompted the enthusiasm needed to boost the Titans to victories. The competition between classes for the spirit jug aroused the emotion of each Titan fan.

FOREIGN EXCHANGE

This past year has been a great time for Taylor and our foreign exchange students. Andrés Jacobi arrived from Brazil, December 18, 1969, and stayed for three months as a temporary member of the Norwich family. Studying to be an electrical engineer, Andrés subjects included: chemistry, government, 20th century problems, English, biology, and physics.

Arriving in February, Rocio Ramos found the United States quite different from her country, Ecuador. In Ecuador, you buy your material and have a tailor make your clothes. While living here, Rocio learned one of America's past times, sewing.

Norman Cosand is presented the pin of honor.

VERY SINCERE MOMENTS

The Class of "70" thought the ideal gift that the Junior Class could give was the Junior-Senior Reception and it's big success. It was held on May 9, at the United Steel Workers Hall. The reception lasted from 6:30 to 1:00. Dancing began at 9:00 and the music was provided by the Townsmen.

The theme of the reception was "Drifting and Dreaming." The theme was promoted by the decorations of blue and white with silver stars covering the walls.

Randy Brantley, Junior Class President read the welcome and Secretary Cindy Brown gave the invocation. Vice-President Brad Webber gave the prophecies, and the Senior Class Vice-President, Bruce Curry, read the wills.

The main highlight of the evening was the announcing of the Starlight Couple, seniors Ann Maple and Pat Richards. Ann was presented with a charm bracelet and Pat was given a key-chain. They then led the next dance which was dedicated to the Senior Class.

Linda Garrard and Lawrence Crowder enjoy small talk as they dine by candle light.

SPECIAL EVENTS

The Morp was a cozy evening for Jane Moore and Mac Fritz.

The Morp . . . Junior-Senior Reception . . . Pizza Hut . . . and the usual dates successfully help round out the social life of each Taylor student.

This year we initiated several new events and strived to make those traditional ones more successful.

Among the new events was the Morp. The Morp is Prom spelled backwards and was sponsored by the Student Council. The girl asked the boy, drove, and made the boy a courasge.

After the ballgames, you would find the Titan fans either at the after-game dances or congregating at the Pizza Hut, where they talked over the resulting game or discussed the coming events.

Queen Angela Curry and her court reigned at the Howard County Track Meet.

ACTIVITIES

STUDENTS PARTICIPATE

Seventh grade students experiment in the field of clay.

Diane Thieke starts the first steps on a weaving loom.

Karla Fisher applies her talents in the beginning stages of sculpting.

IN ART EXHIBIT

Regina Herron tries her hand on rug making.

Janice Cook adds the finishing touches to her oil painting.

Novel ideas formed visually exciting shapes and unique experiences for the more esthetic Taylor High School students. Art classes offered include Art I, II, III, and IV.

Art I went into copper enameling and pottery. Art II studied the careers in art and commercial design. The study of advanced problems and techniques in design were combined in Art III and IV.

Taylor art students showed their creations at the first annual Public Art Exhibit. A number of Taylor's students displayed their works and awards were given to grades one to twelve. The showing was held in the gym and cafeteria April 1, 1970.

The art department was headed by Mr. David Harris. Also the art department received new equipment; looms, easels, a printing press, and drawing tables.

A TIME

TO...

APPLY KNOWLEDGE

In our rapidly changing technological society, each person's need for business education has become even more important! To meet this change, THS offered a variety of classes, in addition to those normally offered, to help students prepare for positions as business leaders and consumers. In addition to those normally offered there is Bookkeeping II, Shorthand II, Office Practice, Business Law, Business English and Business Math.

Added to the Business Department facilities were many new typewriters, adding machines, and calculators. Approximately 430 students were enrolled in THS business courses.

Chris Grills uses the dictation phones for increasing speed in shorthand.

First year typing students concentrate on accuracy and efficiency.

BUSINESS DEPARTMENT EXPANDS

Linda Garrard finds that her typing skills are useful in other classes.

Debbie De Grief works on a stencil for office practice.

Don Etherington works on his practice set, a financial record of a business, for bookkeeping.

INDUSTRIAL ARTS NAMES

Steve Phillip tested his car with an analyzer.

This year the industrial arts department named two outstanding students. Any junior or senior who had taken three or more industrial arts courses was eligible. The student was required to have a 2.0 overall average, and a 3.0 average in industrial arts. The outstanding senior was Erskine H. Carter. The junior was Carey Dale Harnois.

The industrial arts club and regular classes put on the Annual Taylor's Industrial Arts open house. During this time the public viewed the industrial arts facilities, demonstrations and projects made by the students.

A new industrial arts course was offered this year, Graphic Arts II. This pertained to how photography was related to the printing industry. The text used by this class was *Graphic Arts Procedures* by Karch.

Mike Hatfield uses the circular saw in completing his wood project.

OUTSTANDING STUDENTS

Power and transportation students find how involved a car can be.

Rick McCollum measures the depth of a circular piece of wood.

Charles McClish tries the zig-saw to cut a design in his project.

The reference section of the library proves to be helpful to Bruce Curry, Steve Wooley, and Pat Richards.

Lisa Jacques browses through the many new books.

The library is equipped with up-to-date news.

NEW ADDITION ADDED TO TAYLOR'S LIBRARY

The Taylor High School library has experienced several major changes. Last summer, the wall between the library and Titan Hall was removed and this enlarged the library considerably. This area is now used for housing reference and nonfiction books. Fiction books are located in the center, with periodicals in the southwest. New carpeting and lounge chairs for the maga-

zine area added more comfort for those students who read periodicals. During the summer months about 50 new books were added to the library. This does not include the 300 books which were donated by the Tipton Public Library. The library also has new tables and booth style study carrels, which allow students to study individually.

Dick Williams chooses from the many magazines available to the students.

HEALTH GIRLS LEARN

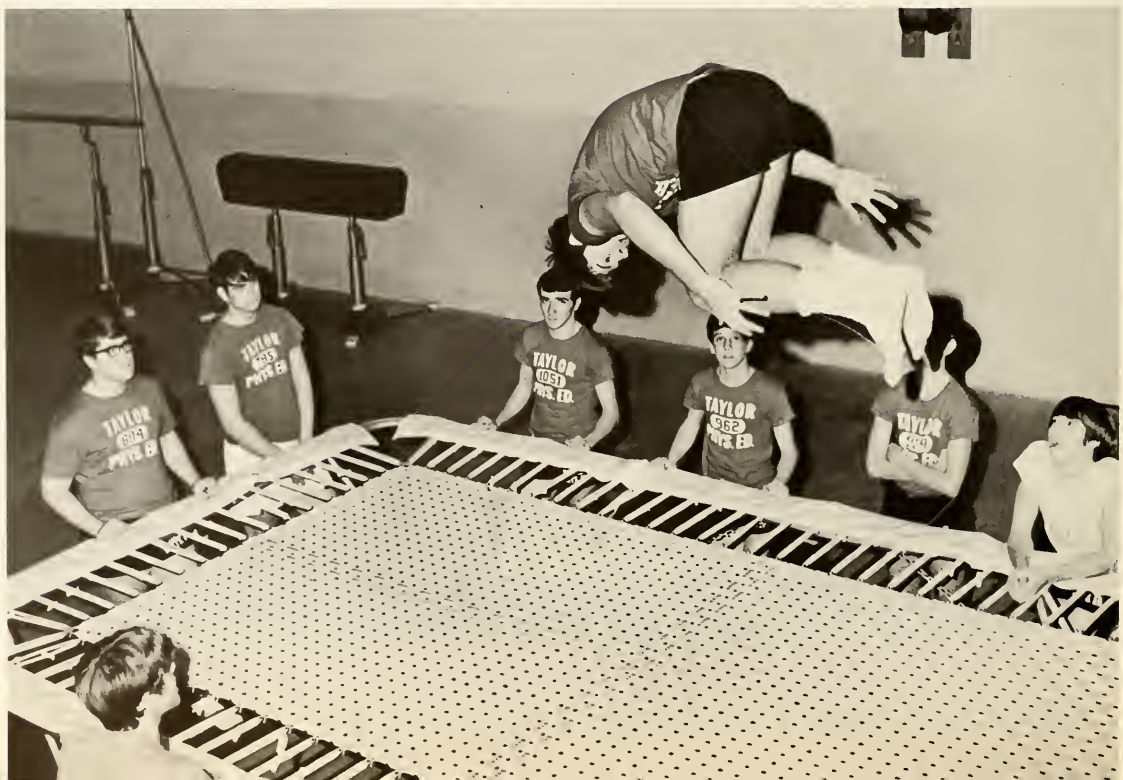

Pull-ups were a part of the physical education program.

Cindy Swain helps on parallel bars.

Completing an exhausting routine, Mark Werking, goes into a forward roll.

BASICS OF FIRST AID

Eighth grade students learn the importance of the eye in health.

Jeff Kirk increases his ability in broad jump.

This year Miss Oyler conducted the ninth grade health classes. The girls made an attempt in first aid and home nursing. Various students in the class were made hypothetical victims and were bandaged from head to toe.

Miss Bennett taught eighth, ninth, and tenth grade P.E. classes. The classes consisted of gymnastics, and six weeks of bowling.

The gym department this year received new modern dance records, which was included in the courses.

PLANETARIUM ADDED TO

Jennie Bouge, Debbie Foster, and Gary Surber stain onion epidermis to observe cells.

Susan Maple and Beth Miller find Chemistry quite complicated.

Taylor students now have something no other school in Howard County has, a planetarium. The planetarium is located in the new part of Taylor High School.

About 660 stars can be seen in our galaxy while the equipment is in operation. Planets will be colored so the students can recognize them by color. Mercury, Venus, Mars, Neptune, Saturn, Jupiter, the moon, and the sun can all be viewed. The earth can be viewed as to what it looks like from the outside looking in.

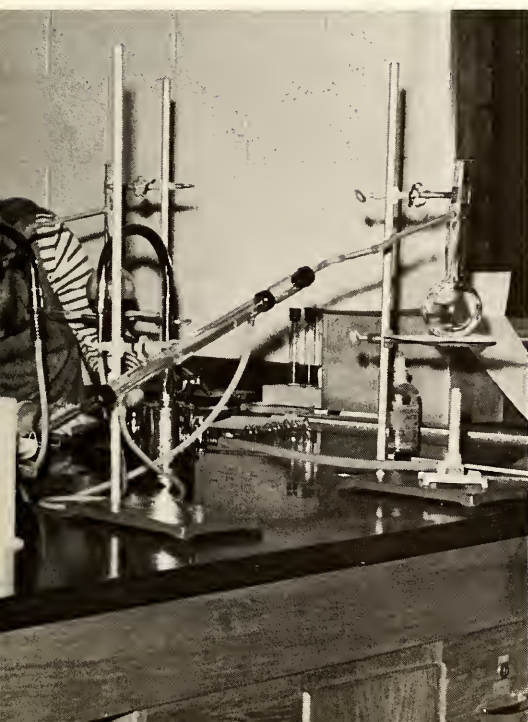

Paul Eckert and Creed Jones took first place awards in the junior biological division of the Lafayette Regional Science Fair. Their projects were "Photoperiodism and its Effect on the Rate of Germination and Cell Differentiation of the Fern Spores" and "Sound and its Effect on the Germination of Fern Spores." Science projects are judged on the basis of appearance, originality of thought, scientific method, clarity of presentation, and the construction of the project.

SCIENCE DEPARTMENT

In experimental design, Mike Myers injects a chick with sex hormones.

As the 1969-1970 school year started, the French classes had a new teacher, Mr. Clark. The first year students learned to speak and understand simple spoken French. After completion of the course, they should be able to carry on a basic conversation. Emphasis was placed on vocabulary and composition for the second year French students. They used newspapers, television programs, magazines, and books. Third year French students studied grammar. They had "talk sessions" in which the students talked about current issues in France.

André Jacobi visited one day in the Spanish classes to tell his country and answer questions. They made tacos in food labs, as well as having "tasting parties" of other Spanish foods in class. Also, they subscribed to the Sunday Mexico City newspaper and enjoyed reading them.

This year there was a change in Mrs. Donelson's journalism class. Instead of taking a final exam, they prepared an issue of the "On Looker".

Cathy Eberly escapes from a mouse to the top of a desk, for a pantomime in speech class.

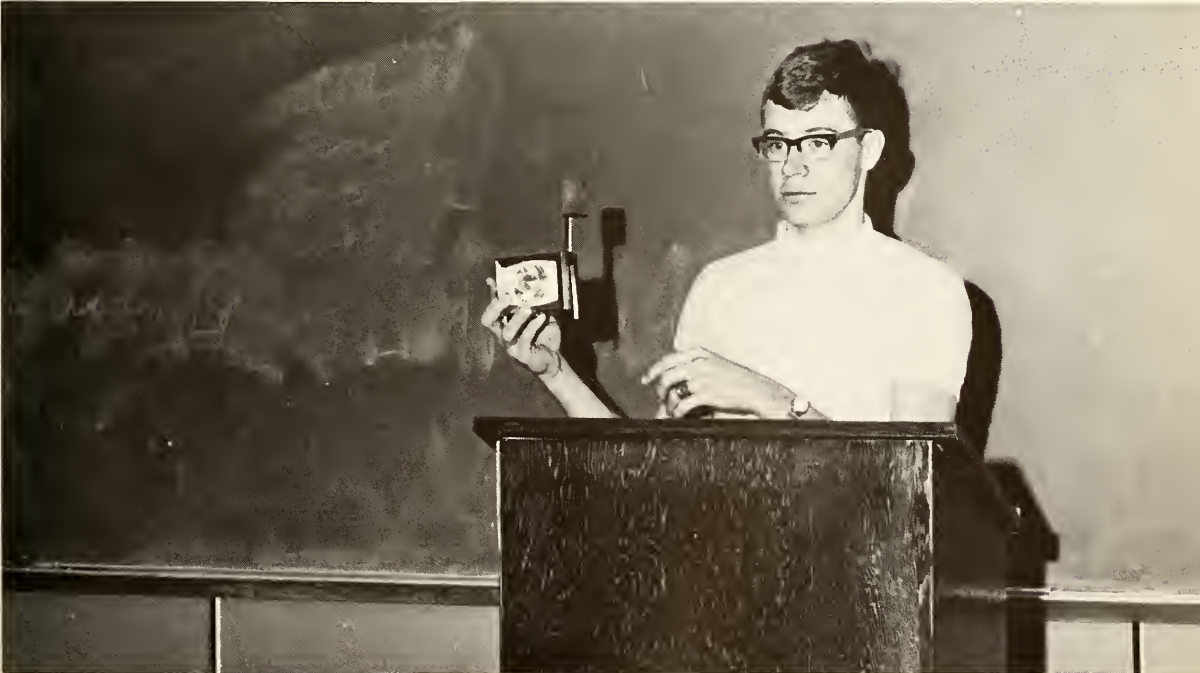

Jeff Kellar uses the language tape for Spanish lab.

Brad Webber uses his selling ability in speech class.

Geometry classes designed posters in geometric form to prove support for the Titans.

Professor Reja Bassilah describes the Mid East Crisis from the Arab's point of view to 20th Century and government classes.

GEOMETRY

For the first time Mrs. Hulka and Mrs. Steiner took over 20th Century and government classes. Each semester the students studied about both local and national government. Throughout the semester a series of speakers like Mr. W. Vabntene of the F.B.I. and Sgt. Kelly of the U.S. Army carried out discussions on various topics. To conclude the year the social studies classes visited the Howard County Jail.

This year in World History, the students studied different parts of the past and present world. Mr. Barns, under Mr. Morrison's guidance, did his student teaching in the World History classes.

This year the geometry classes designed spirit posters in geometric form to show support for the Titans. Also the college algebra classes participated in six weeks of independent studies.

Again this year our school took part in the Annual High School Mathematics Examination. Scott Grant, a junior, won first place. Scott's scores, along with second place winner, Patty McMullen, Randy Sellers and Jerry Eckert, third place winners; were sent to a national level of competition.

Patty McMullen, Bob Dickison and Ann Serwick are shown putting on a skit for government class.

...THROW STONES

Jody Frazier prepares an article for the school newspaper.

Throwing stones is just what the Onlooker staff did this year. Besides throwing fun and criticism at the students and faculty, they also had their April Fool fun with the junior high. They published an article that Taylor High School would not be in existence next year because of lack of money.

The staff grew in size this year by having a junior staff which will take over as editors from the senior staff. The staff was given special room for the first time

this year. The paper itself also grew in size, in that it was published bi-weekly instead of monthly.

During first semester the staff was relieved of publishing an issue of the paper so the journalism class could publish it for their final test.

Fritz Foster was honored by the Kokomo Tribune as an outstanding staffer. He was selected by the Onlooker staff and was awarded a plaque for this achievement.

...EXPAND

The high school student council expanded in many directions this year. They were very successful in opening a student lounge with a coke machine for the students. All profits from the machine went to the clubs.

The student council gave honor to Taylor this year by starting a foreign exchange student program with the International Fellowship Program. By being in this program Taylor had two South American students visit and sent Jeff Kellar, Sherri Richmond, Vickie Taylor, and Linda Wooley to South America during the summer.

At our first annual Football Homecoming, the student council planned the parade and the graduate reception. After the game, they sponsored the homecoming dance.

During National Education Week, they sponsored a Student Government Day. Student council members filled the administration positions and FTA members

taught classes for a day.

The student council started the Howard County Interschool Student Council for all county high schools. This began the year for a High School Exchange Student Day where student council members of all six high schools visited the other schools.

Two members of the student council, Jeff Kirk and Cindy McMullen, were sent to the Indiana University Student Council Workshop. The members also attended the State Student Council Convention. They helped the 8th graders out this year by sponsoring a convocation to introduce the high school clubs to them. The junior high student council helped the high school student council by sponsoring a Valentines Dance and gave the profits to the foreign exchange student program.

As their last project, the high school student council sponsored the first MORP—a backward dance.

The second, "We Shook the Family Tree", an all Thespian play, was held in the spring. The members also held a Christmas skit and a convocation. The convocation consisted of a fake basketball game between the teachers. Mrs. Gemmill was director for both plays.

At the end of the year the Thespian club initiated thirty new members and installed the new officers.

The 1969-70 officers for Dramatic Club were Rick Frazier, president; Larry Surrisi, vice-president; Sherri Richmond, secretary; and Liz Culross, treasurer. The new officers for 1970-71 will be Mac Fritz, president; Rick Frazier, vice-president; Zona Wells, secretary; and Chris McCoy, treasurer. National Honor Society had a successful year on their money making projects. They sponsored a sock hop and held cake raffles at basketball games. From the proceeds from the raffles they gave away two \$100 scholarships; one to Greg Foust and one to Pat Smith.

This year seventeen new honor students were ini-

tiated into the society. After the initiation all the members and their parents were guests at a reception in the home economics room at school. The new honor society members were treated to dinner by the old members at the Jefferson House.

...GROW POLITICALLY

Historical Society grew in size again this year by initiating sixteen members. Our two foreign exchange students, Andre Jacobi and Rocio Ramos, were included as honorary members.

The members worked the last half of the basketball concessions to earn money for their annual trip. This year the trip was to Chicago, and the members and chaperones stayed at the Conrad Hilton Hotel. They visited the Presidential Building, Museum of Science and Industry, Old Town, the Planetarium, and O'Hare Airport. They went shopping downtown and attended a banquet at the Ivanhoe Restaurant.

As part of an honor for Taylor, the Historical Society sent Fritz Foster to Washington D.C., for one

week. There he attended the Presidential Classroom for Young Americans. This was a study of the in and outs of our federal government.

Molly Gibson and Allen Holder represented Taylor High School by attending the area dinner for Jr. Historical Societies. Roger Daume, Linda Gillespie, Mrs. Steiner and Mrs. Hulka represented the Seniors by attending the 5th Annual Birch Bayh Workshop.

The Historical Society was put to work by helping with the cleaning of the student lounge. They also demonstrated the method of lifting color pictures to use with overhead projectors, which aided them in social science.

The Taylor High School Choir formed a Swing Choir. Along with band, the choir also provided singing at the Easter program and Spring Concert. ...PRODUCE SPIRIT

Cheerblock really went all out this year in order to raise school spirit. As part of a movement for spirit, various clubs from Taylor performed skits at pep sessions. Contest were also held at the pep sessions. A spirit stick was made and the class or group that could yell the loudest won the stick. This most of all created most school spirit than anything. A class award for the most school spirit went to the sophomores. Individual

spirit awards went to Cindy McMullen and Cindy Muneral.

Along side of the Cheerblock this year sat the T-Club, wearing their sweaters and jackets that they earned with their major letters. The boys also were enthusiastic in raising school spirit as they yelled chants with the Cheerblock and participated in the pep sessions.

Gregg helps in making Spanish food.

The Spanish Club accomplished a great deal this year. Although the weather was bad during homecoming, many hours of hard work were spent building the club's float. Other club activities included collecting canned foods for needy families, a car wash, a Christmas party, and a trip to Purdue. At Purdue, the members attended a "Tertulia". The "Tertulia" was a social gathering where the students spoke Spanish with other people and were served refreshments. Later, a program was presented by a Purdue graduate student who had studied in Spain.

The most successful accomplishment of the French Club was to send Vicki Taylor to Europe as a foreign exchange student. The money was earned by having a car wash.

The activities participated in this year by GAA

included softball, gymnastics, volleyball, and badminton. Due to the amount of rainfall in the autumn, there were no softball games. GAA sponsored its fifth annual Sweetheart Ball this year. As a great honor for GAA, basketball captain, Jeanne Dunne, was honored as Athlete of the Week.

FTA attended many schools this year. Several members attended the area conference at Indian Creek High School and took a tour of Notre Dame campus. Most of the members attended the annual State Convention at Ben Davis High School. This was a fine opportunity to learn more about the teaching profession. To the delight of the students, FTA members took over the administration for a day, along

TITAN CHEERLEADERS

Varsity Cheerleaders: Kay Badham, Connie Johnson, Sherri Richmond, Cindy Brown, Jacki Lynn.

Taylor High's varsity cheerleaders were privileged to attend the Smith-Walbridge Cheerleading Camp in Northern Indiana this year.

Many yells and cheerleading fundamentals were perfected as the girls spent long hours of grueling hard work getting them down to perfection. Each night the

girls were involved in fierce competition and the Titan cheerleaders placed high bringing home five ribbons including one of the first place variety.

We at Taylor can be extremely proud of these girls. They showed much spirit and determination throughout the year while boosting our Titans.

The 1969 edition of the Titan football squad endured many injuries at key intervals of the season but the team was much improved over previous years. Inexperience also played a key role in the fate of the Titans this time around.

The homecoming victory over Frankton 26-6 in the rain proved to be the outstanding effort of the season. While looking impressive, in several games, the club seemed unable to capitalize in key situations.

The Titans placed three members on the All-County Football Squad; guard Pat Richards, safety Mike Calloway, and defensive end Mike Jennings. Although the Titans remain young, great things are expected from the returning members of the squad.

The 1969 Titan Harriers scampered to the best record yet compiled by the squad. Lots of effort and determination were shown as the team sparkled with an eighth place showing in the Shortridge Invitational.

Randy Sellers and Tony Gabriel led the way to several victories. Sellers was named the outstanding runner as he compiled the best times ever for Taylor.

The future of Taylor's cross country stature is brighter as we lost only one letterman, Reg Barth. Reg has led the team for two years and his contributions to the team were always remarkable and will be missed.

Taylor's varsity grapplers, under new head coach Mike Ward, fought their way to a fine 8-3-1 record this season.

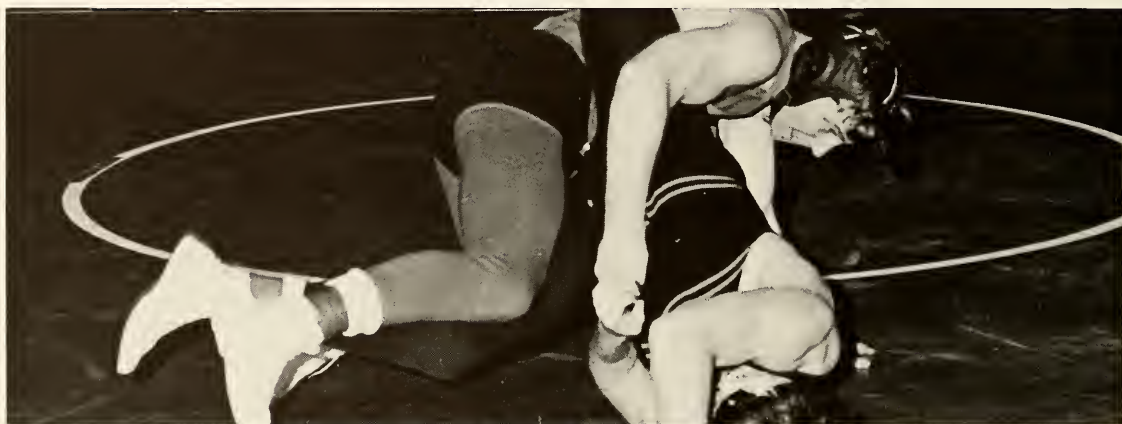

The Titans were led by Jim Brenton and Mike Perry as both earned fine individual records. Steve Anderson was the Titans' strongpoint as he finished second in the sectional.

The Titans also came up with sparkling performances in victories over fierce competition. A third place at the Western Invitational proved to be the highlight of the year.

The future looks bright for Taylor as wrestling seems to be the coming sport at THS.

The Titan cagers, under their new coach, Monte Morrison, compiled 7-14 record this season. The team suffered its ups and downs but showed much promise for next season.

Sheer hustle and determination were the key to make this a respectable rebuilding season. Mike Calloway, a three-year veteran, led the ballclub in scoring with a nine point average.

With sophomores such as Tony Gabriel, Hank Free and Hank Holt, and juniors such as Jack Spicer, Rod Mason, Rick Roe, Len Flaty, and Jeff Keller the Titans have the capabilities of going a long way next year.

Taylor's gallant trackmen fought all comers this year in battling to a 2-5 record. The squad was young and inexperienced, but their hustle and determination turned this into a fine season.

Taylor's victories on the surface this year came from Windfall and Sharpville. With competition being somewhat stiff, the Titans were just incapable of holding their own with the more experienced squads.

With such runners as Randy Sellers, Dennis Bentzler, and Tony Gabriel, Coach Bond's thinlies look threatening in the near future as track at Taylor High takes its place in the sports world.

GOLF AT TAYLOR

Varsity Golf: Coach Wise, Dave Rayls, Rusty Manning, Don Etherington, Phil Johnston, Mac Fritz.

Taylor's varsity golfers, off to their finest season ever, posted a very impressive record this year. The squad was strong all through the depths as the Titans always managed to have one or two men come through even when the chips were down.

Golf at Taylor is not a well recognized sport, but with many boys returning to the squad next year, things will be looked upon and golf will take its proper place here at Taylor.

With many returning lettermen, one can not help but look upon the future with a bright outlook. Taylor High can be proud as these boys came up with a very fine second place showing in the Howard County Match, only to be capped off by a seventh place finish at the Sectional.

Varsity Baseball: Front Row: Larry Richards, Tony Gabriel, Fred Rodkey, Rick McCollum, Dennis Bentzler, Hank Holt, Len Flaty, Rick Keck. Second Row: Coach Shields, Vernon Hart,

Henry Taylor, Mike Myers, Wayne Rhew, Jerry Graber, Mike Calloway, Hank Free, Bruce Curry, Bill Randles.

The 1970 brand of the Titan baseball squad got things off in fine fashion by boosting an impressive record and downing some keen competition in doing so.

Although the Titans took a hard fought loss in the sectional, baseball still continues on its winning ways here at Taylor. Although the club was basically young, the experience they had, helped them all season long. While losing many key players at different intervals of the season, the Titans were never discouraged and always kept their heads high and fought to the very end in compiling a 13-11 won-loss record.

The Titans also captured the Howard County baseball championship. Rolling along through the season, Taylor grabbed a hard fought 1-0 win over Northwestern's Tigers to claim victory.

Although THS has never won a baseball sectional, the future holds a bright outlook in the coming years as the squad is young and the experience gained this past year will help them continue their winning ways.

MISS TITAN REIGNS OVER DANCE

This year the student body of Taylor High picked Gail Wilson as their choice for the 1969-1970 Miss Titan. Gail reigned over the annual Christmas Dance where she was formally crowned Miss Titan. Gail was chosen for her personality and appearance. She is a member of cheerblock and an active member of the senior class. Along with Gail, members of the Miss Titan Court are Brenda Manning, Connie Johnson, Paula Harrison, and Jody Frazier. The entire faculty and student body wish Gail and her court the best of luck.

Gail Wilson was chosen by the student body for Miss Titan.

Members of the Miss Titan Court are Brenda Manning, Connie Johnson, Paula Harrison, and Jody Frazier.

“WE VENTURE . . .”

“We venture to shape the future of the world to be born under our footsteps.” That is the motto of the Class of 1970. As graduation day came, the members of the senior class found themselves looking back at what their high school goals had been and how many of those goals had been reached. But more importantly, the seniors looked also to the future and to the “world to be born under our footsteps.” Some looked forward to college, some to a job, some to marriage. Yet no matter where the members of the Class of 1970 go, there will always linger the memories of their final days at Taylor High School.

Graduation week started with an Honors Day program. Tim Schreck was named Valedictorian and Linda Gillespie was named Salutatorian. Several seniors received scholarships from school clubs, outside organizations, and colleges. Many others received recognition for outstanding work in various academic departments.

During commencement rehearsal, the seniors tried on their robes and mortarboards. The band was present to play the processional. After the rehearsal, the senior class and its sponsors attended a dinner at Montes Restaurant. Plaques of appreciation were presented to Mrs. Linda Donelson, Mr. Jerry Lambersen, and Mr. Ray Richardson.

The guest speaker at Taylor's second graduation was Congressman Richard L. Roudebush. Congressman Roudebush advised the class, “Don't sell the American system short . . . Don't belittle our competitive society of industry and commerce . . . Don't downgrade the future.” Speeches were also given by Tim Schreck and Linda Gillespie. Reverend Schreck gave the invocation and benediction.

Following the graduation exercises, the Class of 1970 celebrated at their Senior Fling at the YWCA. Swimming, tennis, roller skating, dancing and other activities were available. Gifts were presented throughout the night to all the seniors.

As the Class of 1970 departs, it looks forward anxiously to homecoming and alumni dinners. To the graduates, good luck and may all your hopes and dreams be met.

ROUDEBUSH SPEAKS AT GRADUATION

Valedictorian Tim Schreck addresses the Class of 1970.

Salutatorian Linda Gillespie says the answer to the problems of the world is man himself.

Diplomas in hands, the Class of '70 turn their tassels and receive a standing ovation from parents, teachers, and friends.

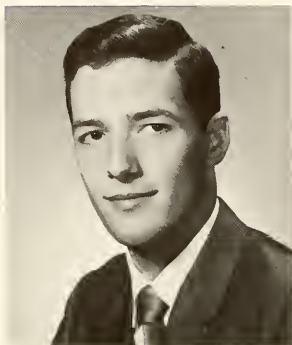

Graduating seniors wait to be called up to receive their long awaited diplomas.

Roudebush advises seniors, "Fix a goal . . . aim high . . . set out to achieve it . . . and you will."

SENIOR CLASS LEAVES VICTORY BELL

Senior class sponsors Jerry Lamberson, Linda Donelson, and Ray Richardson.

The senior class of 1970 has been the most active and progressive class yet. In the midst of meeting graduation requirements and college admission deadlines, the seniors managed to work in a lot of fun and excitement. In December the class sponsored the annual Christmas Dance. The dance was opened to high school student body and the music was provided by the "Lost Souls." Early in February of 1970 several seniors were excused from school to go to Indianapolis to meet President Richard Nixon. They also saw Mrs. Nixon, Governor Edgar Whitcomb, and Indianapolis Mayor Richard Lugar.

Members of the class of 1970 were the honored guests at the annual Junior-Senior Reception. The dance, sponsored by the junior class, was held at the United Steelworkers Union Hall and the "Townsmen" provided the music.

Just before graduation the administration gave the seniors a free day. This "Senior Day" was held outside behind the school building. The seniors participated in games of softball, volleyball, tug-of-war, dodgeball, sack races, and pie eating contests. Hotdogs, chips, and soft drinks were served for lunch.

Traditionally, each graduating class leaves a gift to the school. The class of '70 is having an entrance gate to the football field and a victory bell erected. Construction should be finished by August and a dedication will be held at that time.

A Time For...Dancing

Randy Brantley, President, Brad Webber, Vice-President, Cindy Brown, Secretary-Treasure. Sponsors are Mr. Chapman, Miss Bennett, Mr. Maroney.

The 1970 Junior-Senior Reception was sponsored by the Junior Class. The reception was held at the United Steelworkers Union Hall from 6:30 to 1:00.

The colors for the reception were blue and silver with the theme "Drifting and Dreaming." There was a smorgasbord with many varieties of meats, salads, and desserts. After the smorgasbord the couples danced to the music of the Townsmen. The wills and prophecies were read by the Vice-President of the Senior Class, Bruce Curry.

The Junior class worked long and hard to raise the

money for the Reception.

Another of the activities of the Junior class was the Foreign Exchange Program. Through that program the school sent three students to South America. Linda Wooley was sent to Guavaquil, Ecuador which was Rocio Ramos' home town, Sherri Richmond was sent to Sao Paulo, Brazil, which was Andres Jacobi's home town. Jeff Kellar was sent to Venezuela.

Some of the qualifications included rating in the top half of the Junior Class, ability and interest in the country's language, and emotional maturity.

Halloween, A Time for . . . Witches and Goblins.

The Sophomore Class started a new project this year and hope that it will become a tradition at Taylor High. Their project was known as “Clean-up” in which members of the class stayed after school once a week to clean the school grounds of litter.

In addition to “Clean-up”, the sophomores sponsored the fourth annual Black Cat Ball. The theme of the dance was “Sleepy Hollow” and students from grades nine through twelve attended to make the Halloween dance a success for the Class of '72.

EDITOR'S NOTE

The 1970 Helio Staff has closed another year of good times, and our task is finished; the last deadline is met. As staff members, we experienced depressing moments and could have easily given up, but we kept in mind that the toil was for our school and worked even harder.

Speaking on behalf of the entire staff, I would like to express our appreciation to the three people whose help we could not do without. Many thanks go to Mr. Jerry Lamberson for his encouragement and generous advisorship. Mr. Larry Glaze of Paragon Yearbooks also receives much recognition from the staff for the time he spared to help teach new staffers and advise others. We are also grateful to Mr. Ted Hitz of Adams-Hitz Studio for his cooperation in taking our senior portraits and organization pictures.

My deepest appreciation goes to my assistant, Pat Smith. She was extremely devoted to her work on the senior section and was always willing to help me with my responsibilities. Charlie Wolf, our photographer, was very dependable and spared much of his free time to take pictures. As a beginning photographer, he showed much talent.

Our 14-member staff had eight beginners. Each matured throughout the year by learning to accept responsibilities. As a whole, we are bound with lasting friendships even though we must part.

I would like to thank the staff for their readiness to volunteer many hours towards making the 1970 Helio. Working with you was more than a pleasure and will always be remembered.

ACKNOWLEDGEMENTS

The 1970 Helio is printed on 80 pound Patina enamel by Paragon Yearbooks, Montgomery, Alabama. Headlines are 36 point Bodoni Bold, copy blocks and captions are 10 and 8 point Bodoni, respectively.

The opening section contains five 4-color reproductions using transparencies. The cover was manufactured by S. K. Smith Co. Chicago and incorporates a silver metal applique, with a black overtone and red applied to the name and the embossed backbone.

The best days of our lives are when we are in high school. After four years of hard work, it comes to a close for all of us. In the years ahead each of us will recall our achievements during our high school days. What have we gained?

- ... friendships through working together
- ... knowledge which we will use for the rest of our lives
- ... physically each has grown stronger
- ... personalities have changed as a result of growing up and making new friends
- ... insight to human relations
- ... maturity by learning to accept responsibilities

What gain has the worker from his toil?
